

**Resolution  
to  
Suspend Recreational  
Wolf Hunting and Trapping  
and  
Implement Non-Lethal Wolf Management Measures**

Now, therefore, **BE IT RESOLVED** that Minnesota (name of party) “Action Agenda” (2014) is amended to add the following language under “Natural Resources and the Environment”:

1. **“Support legislation that suspends the recreational wolf hunting and trapping season. Thereafter, if a wolf hunting and trapping season is proposed, full public comment and sound biological data shall be required before a decision to have recreational wolf hunting and trapping is made.”**
2. **“Support legislation to implement, as much as possible, non-lethal techniques to minimize livestock-wolf conflicts, along with adequate funding to reimburse livestock producers for wolf depredation losses.”**
